It was suggested at the Annual General Meeting that a newsletter would be a great source of communication between all members of Inner City. I have offered to do the newsletter and welcome any suggestions, articles, ideas from members. My e-mail address is: every-soucie@comcast.net I look forward to hearing from you.

Let's strive to work together and make this year the best ever!

Back Page Story Headline

Caption describing picture or graphic.

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer format is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition of your newsletter, or you can summarize some generic questions that are frequently asked about buying or selling a home.

You can also use this space to remind readers to call you when they

are thinking about buying or selling a home.

If space is available, this is a good place to insert a clip art image or some other graphic.

Place text here that describes any company policies or disclaimers. For example: "Each office independently owned and operated."
